Software: Revit • AutoCAD • 3ds Max • Adobe Photoshop

Professional Experience

Creative Director | Design Muse (Aug 2022 – Present)

- Direct the creative vision for residential and corporate interior projects from briefing to final installation.
- Design bespoke furniture collections, spatial layouts, and presentation-ready 3D visualizations.
- Lead client workshops, site assessments, supplier coordination, and technical documentation.
- Manage multiple simultaneous projects while maintaining quality, budget alignment, and delivery schedules.

Middle Interior Designer | Cecil Nurse (Sep 2017 – Jul 2022)

- Designed high-performance workplace interiors focused on ergonomics and spatial efficiency.
- Produced detailed Revit and AutoCAD documentation for commercial fit-outs.
- Created photorealistic 3D presentations that improved client approval and stakeholder communication.
- Collaborated with architects, project managers, and contractors throughout project delivery.

Junior Interior Designer | Shimwell Designs & Inside Interiors (2015 – 2017)

- Supported residential, retail, and office interior projects from concept development to construction documentation.
- Prepared material specifications, as-built drawings, and client presentation packages.
- Assisted with site measurements, procurement coordination, and design detailing.
